Only Love

By Randy Vader and Jay Rouse

This is the story that is divine in origin and eternal in design. God in Heaven who loved the world and each of us so much sent His Son, that whoever believed in Him and the sacrifice that He would make, would not perish but would have eternal life. Only God could make that promise. Only Christ could pay that price. Only Love could write this story.

It is our prayer that this musical worship experience will help to draw you each closer to the Christ of Christmas and that you may experience His love and joy that only He can offer. Have a blessed Christmas!
